Product Description

 Fast Printing and less maintenance Mars 2 Pro comes with a 6.08 inch monochrome LCD of 2K HD resolution and only takes 2 seconds per layer exposure to cure resin, which could significantly enhance your printing efficiency. Mono LCD has a much longer lifespan and stable performance during long term printing, thus saves your cost.

- Outstanding prints and ultra accurcy Brand new light source structure provides more even UV light emission and working together with 2K mono LCD, the printing details and precision are greatly improved and the 3D printed models are fascinating.
- Sturdy build quality CNC machined aluminum body makes Mars 2 Pro a very formidable machine. Newly-designed sandblasted build plate has a much stronger adherence during printing and enables consistent printing success. Built-in active carbon could absorb the fume of resin and offer you a refreshing printing experience.
- Multi language interface Mars 2 Pro now supports 12 kinds of languages so customers across the world could operate the 3D printer more conveniently without barries.The newly added 10 languages are Japanese, Dutch, Korean, French, German, Russian, Italian, Spanish, Turkish and Portuguese.
- Warranty and Service We provide a 1-year warranty on the whole printer and 6-month warranty for the 2K LCD (FEP film is excluded). Mars 2 Pro comes with 2 extra FEP films for you to replace the original one if needed.
- Technology: UV Photocuring

- Layer Thickness: 0.01-0.2mm
- Printing Speed: 30-50mm/h
- Z Axis Accuracy: 0.00125mm
- XY Resolution: 0.05mm(1620*2560)
- Build Volume: 5.08in(L)*3.15in(W)*6.30in(H) 129mm(L)*80mm(W)*160mm(H)
- Light Source: UV Integrated Light (wavelength 405nm)
- Languages: Chinese English Japanese Dutch Korean French German Russian Italian Spanish Turkish Portuguese
- Connectivity: USB
- Weight: 13.67lbs(6.2kg)
- Operation: 3.5 Inch Touch Screen
- Power Requirements: 100-240V 50/60Hz
- Printer Dimensions: 7.87in (L)*7.87in (W)*16.14in (H) / 20cm (L)*20cm (W)*41cm (H)
- **Finish Kit Includes:**
- Resin Tank * 1
